All CTCSC Members:

At our recent meeting of the members, Sunday, August 20, the membership voted to have a Specialty Planning Committee Meeting on Sunday, 9-24-17 at 12 Noon at Jack and Karen Smith's home. Lunch will be served. The club selected a theme for the specialty of "GAME OF BONES". The specialty committee is a committee of the whole and we need everyone's help! All members are asked to attend and bring ideas forward as well as volunteer for the many facets associated with our specialty. Once again, we will be a host for the Cairn Terrier Club of America's roving national specialty.

Please RSVP to Karen as noted above.
