HAPPY HOLIDAYS

At our Nov. 11 puppy match & membership meeting, several people asked if it was possible not to have Cairn judging at the Indio shows at 8 AM. A request was sent to Show Superintendent Jack Bradshaw who indicated they would try to accommodate either late morning or afternoon judging for Cairn Terriers at the shows. Therefore, while we are not yet in receipt of the actual times in the judging program, the Cairn Terrier Club of So. California will hold our meeting on Saturday, January 6 at approximately 12 Noon in our grooming area which we are awaiting information about. The CTCSC has purchased grooming space for all exhibitors and once I receive information about which grooming tent we are in, I will send an additional email to everyone; however, I needed to provide this meeting notice per our bylaws' timeframe. The CTCSC will provide sandwiches and bottled water and attendees are welcome to bring pot luck items to share.

Hoping everyone is enjoying this holiday season and looking forward to seeing everyone and their beautiful Cairns in January at the shows. Looking forward to our upcoming specialties at Del Mar Fairgrounds, February 23-24-25, 2024. I will be sending information regarding the CTCA and CTCSC February 23-24-25 events by email on December 26, 2023 and Serge Pirino will also be posting it up on our website and Facebook page as well.
